## Invoice — Stair Set 1 Rebuild (Friends & Family Rate)

### Scope of Work

Stair Set 1 — First stair set at 315 Sassafras Lane (location to be marked on site)

Rebuild one exterior stair set per this invoice using the following specification:

- Four (4) steps per stair set.
- Each step uses two (2) pressure-treated 2x6 treads — eight (8) tread boards total per stair set.
- Approximately 4 ft clear tread width (confirm exact width on site).
- Four (4) pressure-treated 1x8 kickplates / riser boards.
- Three (3) housed / pocket-cut stringers laid out and cut on site.
- Stair assembly framed, leveled, and secured to existing structure or approved landing points.
- 2x4 handrail installed along the 4-step run per standard safe handhold height.
- Work performed by owner/operator working solo, including stringer layout and cutting.
- Jobsite cleanup of construction debris related to this stair set.

Customer-facing line items:

- Materials: pressure-treated lumber (8 tread boards per set), fasteners, anchors, and related install supplies — \$420.00
- Labor: layout, pocket stringer cutting, framing, double-tread and kickplate install, handrail (solo) — \$1,230.00
- Standard stair price — \$1,650.00
- Friends & Family Discount — -\$650.00
- Friends & family price — \$1,000.00

This invoice covers only the stair set described above. The second stair set at 315 Sassafras Lane is billed on a separate invoice.

### Discount Note

Friends & family best price applied. This reduced rate reflects our relationship and the expected follow-on work at 315 Sassafras Lane, including the possible large fence project, which will be estimated on its own scope and materials.

### Payment Terms

50% deposit due before work begins. Remaining 50% balance due upon completion unless otherwise noted in writing.

### Notes / Exclusions

Price may change if hidden damage, rot, structural issues, code issues, unsafe conditions, or additional required work is discovered after opening up the work area. Painting, staining, and optional add-ons are excluded unless

specifically included. This invoice is based on four (4) steps per stair set; any change to step count or total rise after site verification may adjust the price. Any large fence project at this property will be quoted separately; this friends and family stair price is not a combined fence/stair package unless a separate written estimate is approved.

*Customer-facing copy. Internal cost sheets, helper payment notes, and tax/profit notes are excluded by J&R standard.*
